Hi Nathalie,

I hope you are well.

Can you confirm the amount sent by Apple on June 10? We have an incoming wire for about \$110,952.01 and would like to confirm it was sent by Apple.

Thanks,

Dov

Nathalie,

Thank you for the follow up.

Please send us the former banking details used by Link Motion. This is a time-sensitive request because it appears to be an account that we have not yet frozen in the U.S. or Hong Kong. We need the details to secure that account as soon as possible.

Thank you,

Dov

On the banking information, the attempt was to revert to the details on file before we switched over to the receiver banking information. Apple does not have further entity information. It does not appear that the attempt was successful so Apple does not have a record of what the new entity information would be.

Nathalie,

We appreciate the update.

Please advise on the identity of the party that attempted to update the entity and banking information. We would also appreciate if you could provide the "updated" banking and entity information to assist in our efforts to prevent the dissipation of Link Motion's assets.

Thanks,

Dov

Dov—

Following up on the below, we've just been informed that someone at the company made an attempt to update the entity and banking information. We can confirm that no money was rerouted as a result of the attempt, and that all held funds will be correctly directed to the receiver by June 13.

Best,

Nathalie

Apple runs on a specific schedule and June 6th is the next payment day on that schedule so an earlier accommodation is not possible.

Thanks,

Hi Nathalie,

Thanks for your email.

Would it be possible to schedule this initial and delayed payment for an earlier date?

Please also advise on the expected amount of the first payment.

Best regards,

Dov

Further to the below, the monies are currently being withheld as Apple faced certain challenges related to the international nature of the payments. However, Apple is scheduled to issue payments on June 6th and ongoing thereafter.

Dear Nathalie,

I am following up on the Receiver's letter dated
March 19, 2019.

Please note that the Receiver is only requesting that
funds payable to Link Motion are disbursed to the
Receiver's escrow account. At this time, the
Receiver is not requesting any change to the

technical management of Link Motion Apps or its business relationship with Apple.

Please confirm receipt of this email.

Thank you,

Dov

RE: Baliga et al. v. Link Motion Inc. et al.; Case No. 1:18-CV-11642; Our Reference PT-7436569

Dear Mr. Seiden:

Thank you for contacting PayPal, Inc. ("PayPal"). We are in receipt of your Receivership Order in the above-captioned case. We have placed a high level limitation on the following PayPal account(s) pursuant to the above-referenced Receivership Order:

PayPal accounts

Account Name: Christopher Edwards
Account Email: accounts@nq.com
Account Balance: \$0.00

Account Name: chen Nancy
Account Email: nqpayment@nq.com
Account Balance: \$227.16

Account Name: wang Yi Wen
Account Email: payment@netqin.com
Account Balance: \$4,787.95

Please be advised that while your transmitting correspondence that accompanied the Receivership Order directed PayPal to take the following actions:

- (1) Revoke all passwords, log-in information, access codes, usernames and the like, in order to access Link Motion accounts and issue new administrator credentials to your in-house counsel, Steven E. Seiden, Esq. or Dov B. Gold, Esq.; and
- (2) Direct all communication with Link Motion directly to you, or your in-house counsel, Steven E. Seiden, Esq. (sseiden@seidenlegal.com) or Dov B. Gold, Esq. (dgold@seidenlegal.com),

PayPal's systems do not give PayPal the ability to revoke or change passwords or log-in information. Instead, in addition to the high-level limitation on the foregoing accounts, each

account has been locked, which prevents the user from logging into the account(s) and cancels all pending transactions (if any). The funds in each account have also been placed into reserves, which further prevents the funds from being withdrawn from the account(s) by the user(s).

PayPal can also add the email addresses for Steven E. Seiden, Esq. (sseiden@seidenlegal.com) or Dov B. Gold, Esq. (dgold@seidenlegal.com) to each of the foregoing accounts. At your direction, PayPal can assign either sseiden@seidenlegal.com or dgold@seidenlegal.com as the primary email for the subject accounts. This change will (i) direct all future emails relating to the accounts to the specified primary email address, and (ii) allow your office to go through the password recovery process to change the passwords on the subject accounts.

Please confirm, in writing, which email address should be used as the new primary email on the foregoing accounts.

Lastly, please be advised while the attached documents show "balance(s)" in the Account(s) as of April 1, 2019, please note that this does not mean that the balance listed for each Account will remain the same or that we can turn the Account balance(s) over at this time, or at any specific future date. Pursuant to the User Agreement(s) governing the PayPal Account(s) (the "User Agreements"), all Accounts are subject to PayPal's and/or its affiliates' setoff, recoupment, chargeback, holdback, reserve, currency fluctuation, and other rights. All Accounts are further subject to a security interest in favor of PayPal and/or its affiliates under the User Agreements. Account balances may be reduced as a result of PayPal's foregoing rights under the User Agreements or applicable law due to, among other matters (which may have occurred prior to PayPal's receipt of the Receivership Order but not yet processed through the Account(s)):

1. If the User loses a buyer complaint or chargeback, then the amount of that transaction will be debited from the Account balance;
2. Cancellations of orders, resulting a refund that is debited from the Account balance;
3. Other transaction reversals;
4. Currency fluctuations;
5. Other legal process received prior to the receipt of the Receivership Order or subsequent to it that requires PayPal to remit the funds to a third party or court; or
6. Exercise by PayPal and/or its affiliates of any other rights and/or interests in the Account(s) under the User Agreement or applicable law.

No third party has rights with respect to Account(s) or funds in them greater than those of a User. The User's rights-and in turn, any rights you may have, which are derivative of the User's rights-are subject in each case to PayPal's and its affiliates' rights and interests, including under the applicable User Agreement(s). As a result, and for the above reasons, we are holding the Account balance(s) (as they may be reduced from time to time) until such time as (a) PayPal has determined that (i) all of the User's obligations to it or its affiliates have been full satisfied, (ii) all of PayPal's and its affiliates' rights and interests relating to or in, the Account(s) have been fully satisfied, and (iii) applicable law does not prohibit PayPal from releasing the Account balance(s); or (b) PayPal becomes obligated under an order by a court of competent jurisdiction to release the Account balance(s) pursuant to such order (with all of PayPal's rights to contest,

respond, intervene or otherwise receive notice and be heard with respect to such proceedings or order hereby fully reserved). Please note that in the case of (a), such time period will not be less than ninety (90) days, but may be significantly longer, in light of buyer dispute and related buyer rights under the User Agreement(s), credit card issuer agreements, other applicable agreements and/or applicable law.

PayPal reserves all rights and defenses under applicable law or at equity, including without limitation, with respect to proper service of process, notice, opportunity to be heard, and jurisdiction.

Should you have any further questions or need any additional information, please feel free to contact me directly by email at EEOMaLegalSpecialist@PayPal.com.

Sincerely,
